

LOOK AND DRAW

NOTES FOR SCHOOLS

WHAT IT IS

Mira i Dibuixa is an annual drawing competition for young people aged 3 to 18, organised by the Fundació Dionís Bennàssar and held inside Mallorca's museums. Entrants choose something on display, draw it there in the museum, and leave the drawing at the desk.

Entry is free, and a pupil taking part independently with their family, outside school hours, needs no registration and nothing from you.

BRINGING A GROUP

We arrange it with the museum. You do not need to call the museum or book anything yourself.

- 1 Call or write to us with the year group, the number of pupils and two or three possible dates. We settle it with the museum and confirm back to you.
- 2 The session runs about an hour and works well with groups of up to thirty.
- 3 On arrival, collect the entry slips from the museum desk and hand them out, so nobody is filling in thirty forms at the counter as you leave.
- 4 Each pupil chooses something on display and draws it there in the museum.
- 5 The pupil fills in the slip, sticks it to the back of the drawing and writes their name there too. The slip is a sticker. You sign the slips for the group.
- 6 Leave the drawings in the folder at the desk. The museum stamps a participation certificate for each pupil and hands it over the same day.

That is all. Nothing to print, nothing to buy and nothing to post to us.

MATERIALS

Pupils bring their own paper and drawing materials. Paper is A3 or smaller. Some rooms may be pencil only, and museum staff will tell you on arrival.

The drawing must be the pupil's own, made in the museum and without help from an adult.

IMAGE CONSENT

Selected drawings are exhibited and photographed for press and publicity. Your school already holds image consent from families, so nothing needs to go home and we ask you for no document.

On a class visit the accompanying teacher signs the slips for the group. That signature is the confirmation, and no pupil needs to bring anything signed from home.

CONTACT DETAILS

The slip asks for a phone number or email, used only to tell winners they have won, and you may give the school's rather than the family's. The Foundation holds the slips and is responsible for the data: it is used for nothing else and passed to nobody.

PRIZES AND EXHIBITION

Everyone who takes part receives a participation certificate, stamped by the museum on the day. Prizes are presented on 18 May 2027, International Museum Day, with an exhibition of the selected drawings, and families and schools of prizewinners are invited.

DATES

Opens 1 October 2026. Closes 1 April 2027. We suggest arranging a visit a month ahead.
