

LOOK AND DRAW

NOTES FOR PARTICIPATING MUSEUMS

WHAT IT IS

Mira i Dibuixa is an annual drawing competition for young people aged 3 to 18, organised by the Fundació Dionís Bennàssar and held inside Mallorca's museums. Entrants choose something on display, draw it there in the museum, and leave the drawing at your desk.

WHAT WE ASK OF YOU

We bring you everything: the poster, the folder, the entry slips and the certificates. You do not need to print or buy anything.

- 1 Put up the poster somewhere visible.
- 2 Keep the folder at your desk. The drawings are stored in it until we collect them.
- 3 Give an entry slip to any young person who asks for one. It is a sticker. They fill it in themselves and stick it to the back of their drawing.
- 4 When they hand in their drawing, stamp a participation certificate and give it to them. Everyone who takes part gets one.
- 5 Put the drawing in the folder we supply.

That is the whole commitment. No booking system and no supervision.

MATERIALS

Entrants bring their own paper and drawing materials. Paper is A3 or smaller.

Your staff can ask for pencil only in any room at any time.

SCHOOL GROUPS

A class visit is usually one session of about an hour. We arrange dates with you before anything is confirmed with the school.

The teacher collects the slips from your desk on arrival and hands them out, so nobody is filling in thirty forms at your counter at the end of the visit.

Where a group is involved, the centre confirms it holds image consent from families. That is on the teachers' note, not on you.

WHAT WE DO

The Fundació Dionís Bennàssar handles the judging panel, the certificates, the exhibition, the press and all correspondence with entrants and schools. We hold the entry slips and are responsible for the data on them.

COLLECTING THE DRAWINGS

We collect from your desk once a month, and more often if the folder fills. If it fills before we come, call and we will come the same week. Nothing needs storing beyond the folder.

DATES

Opens 1 October 2026. Closes 1 April 2027. Exhibition and prize-giving 18 May 2027, International Museum Day.
